Gross Enrolment Ratio (GER)

3.73 crore students, when 14.18 crore youths (18-23 years) in India at the same time.

%: The Gross Enrolment Ratio = 26.3.

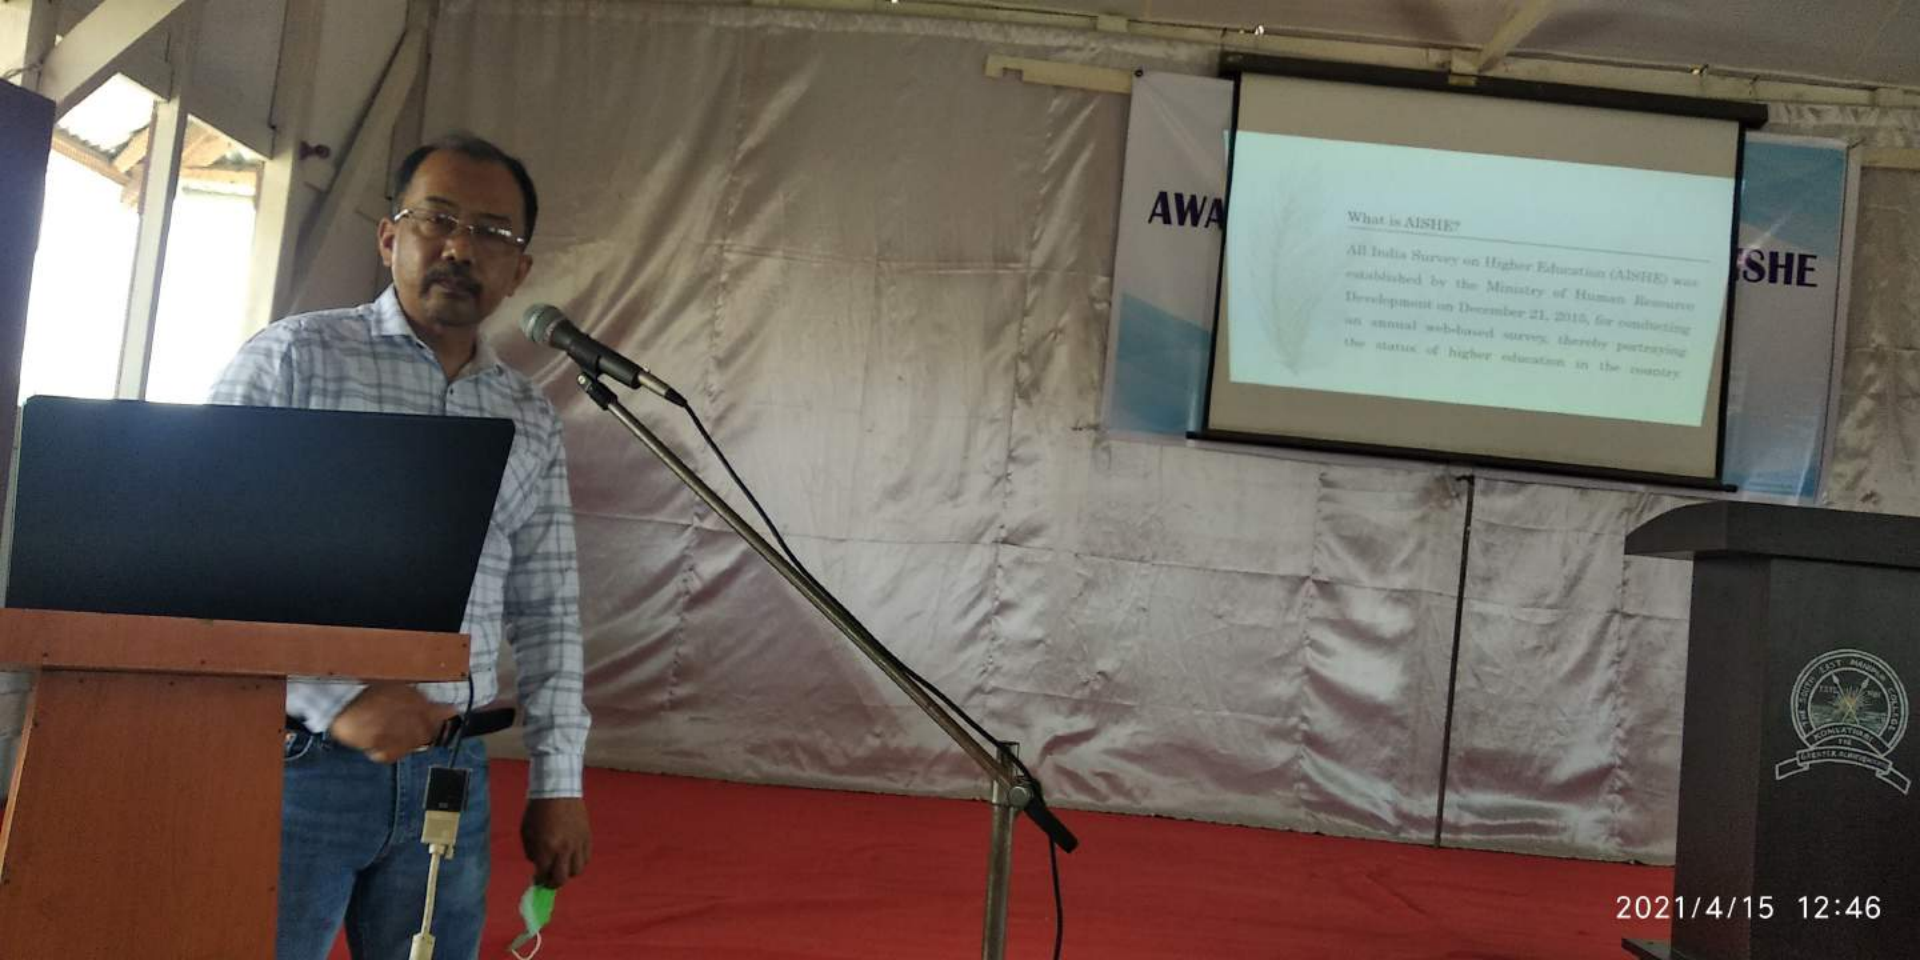

So AISHE data is very important for estimating the GER of the Nation.

Gender Parity Index (GPI)

Ratio of female to male values. A GPI between 0.97 and 1.03 indicates parity between the genders. A GPI below 0.97 indicates a disparity in favour of males.
