Message from Principal

Warm greetings to my dear Students, Parents, Stakeholders and well-wishers of South East Manipur College family. I am honoured to welcome you to be a part of an esteemed and academically rich institute in the rural areas.

The College has been nurturing students of various communities in the State for the last 43 years and many have outshone in various fields. The College has the opportunity to educate the underprivileged students and shape them in such a way that they are able to live a healthy and harmonious life. Our Vision to bring Quality Education for all the students irrespective of caste and creed has enabled us to educate the students on one platform. The College is progressing day by day - Library and Administrative system are automated; CCTV cameras are installed; Computers are available for the use of students and staff of the College; Modern methods of teaching aids are provided in the Departments. Internal Quality Assurance Cell (IQAC) is actively functioning to uphold our vision. Teachers are well experienced and qualified to help you progress in your academic career; Non-teaching staff are also dedicated and committed to serve the College. Your sincere effort along with the prompt guidance of the teachers will surely enable you to get the blessings and success in your endeavors.

My dear students, as the world is evolving each day with the advancement in Science & Technology, you cannot achieve your goal until you keep pace with the changing world. Therefore, you need to break the ice, participate in every field, be adventurous, equipped yourself with proper knowledge, habits, and attitudes; and shape your behaviour and give importance to holistic development.

National Cadet Corps(NCC) for Girls under 65 Manipur Girls Battalion was opened in the year 2020. Girl students can make use of the opportunity to be a part of it and the awarded grades will be helpful in your career. National Education Policy (NEP) 2020 has been implemented from the academic session 2022-23 and will enlighten your knowledge through various skill development programmes in the opted courses. National Service Scheme (NSS) Unit I & II is opened in the College where, students have the opportunity to extend community social services as a part of serving the nation and mold themselves to be a good human in life. The College has adopted 5(Five) villages under Unnat Bharat Abhiyan to work with the people of rural areas and uplift them by identifying the challenges they face.

By God's grace, the College is accredited by National Assessment and Accreditation Council (NAAC), Bangalore in the 1st Cycle with B-Grade with a CGPA of 2.35 on 16th September, 2016 and in the 2nd Cycle with B ++ Grade with a CGPA of 2.80 on 14th February, 2023.

The College organizes Seminars/workshops and awareness programmes on various issues. Do participate and share your views and learn to enhance your knowledge. Be regular in your classes and make maximum use of the time spent in the College to gain knowledge and achieve your goal. Sincerity, punctuality, discipline and hard work are the keys to success. Believe in yourself, do good to others, do your best and God will do the rest.

I wish and pray that you will surely develop yourself and cherish the blessing in this temple of learning.

With Regards

(DR. L. KHILONI)

National Education Policy 2020 (NEP 2020)

National Education Policy, 2020 (NEP) envisions a massive transformation in education through—“an education system rooted in Indian ethos that contributes directly to transforming India, that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high quality education to all, thereby making India a global knowledge superpower.” The NEP 2020 is founded on the five guiding pillars of Access, Equity, Quality, Affordability and Accountability. It will prepare our youth to meet the diverse national and global challenges of the present and the future.

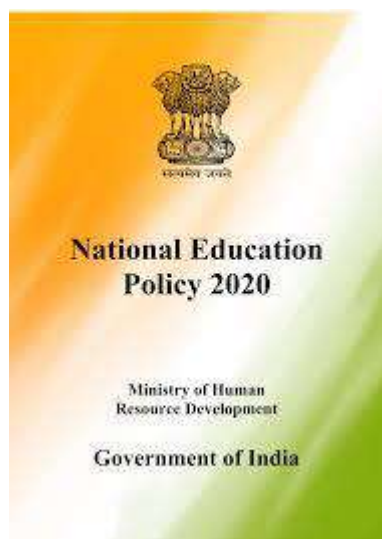

This National Education Policy envisions an education system rooted in Indian ethos that contributes directly to transforming India, that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower. The Policy envisages that the curriculum and pedagogy of our institutions must develop among the students a deep sense of respect towards the Fundamental Duties and Constitutional values, bonding with one’s country, and a conscious awareness of one’s roles and responsibilities in a changing world. The vision of the Policy is to instil among the learners a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen.

**SOUTH EAST MANIPUR
COLLEGE**

(Affiliated to Manipur University)
Komlathabi, Chandel, Manipur, INDIA

The NEP 2020 envisages a holistic and multidisciplinary education that aims to produce employable graduates with integrated personality. The policy envisions the undergraduate degree to be of either 3 or 4-years duration, with multiple entry and exit options within this period and with appropriate certifications e.g. a certificate after 1 year of study or a diploma after 2 years of study or a Bachelor's degree after 3 years of study. The 4-year programme will lead to either a Bachelor's degree with Honours in a discipline or a Bachelor's degree with Research, if the student completes a rigorous research project in a major area of study as specified by the University

Academic Bank of Credit (ABC):The full form of ABC ID is Academic Bank of Credit with a sole purpose of creating a digital medium for students for their academic credits.It is the platform developed by National e- Governance Division (NeGD) of the Ministry of Electronics and Information Technology, Government of India, having the facility/functionality of opening Academic Account by students and onboarding of eligible Higher Education Institutions (HEIs), in accordance with “The University Grants Commission (Establishment and Operation of Academic Bank of Credits in Higher Education) Regulations, 2021”. ABC will digitally store the academic credits earned by students from HEIs registered with ABC for awarding degrees/diplomas/certificates taking into account credits earned by students. ABC will ensure the opening, closure and validation of Academic Bank Accounts, credit verification, credit accumulation, and credit transfer, redemption for students.The ABC ID is a special 12-digit code for students in India, created under the National Education Policy 2020. It provides a "credit transfer" system that allows students to switch from one program to another.

Table: Academic Bank of Credits

Academic Session	Semester	Number of ABC
2022-23	I	277
2022-23	III	283
2023-24	I	358

This system is beneficial for those students who need to change their college after one or two years, or even those who drop out of college and decide to take re-admission after some time. The Academic Bank of Credit system is a digital credit storage system where with every semester; candidates can store their earned credit and use this later on, if required. While filling an application form or taking admission, students may have come across a section, where they need to fill out their ABC ID. It is worth noting that the ABC system is not only useful for storing credit, but it also works as a mode of student verification, and authentic and confidential way of maintaining student credit.
